About the Ginseng Board of Wisconsin

The Ginseng Board of Wisconsin is composed of seven at-large producers that are responsible for administering Wisconsin's Ginseng Marketing Order. The board oversees the collection and use of approximately \$300,000 in assessment fees paid by Wisconsin ginseng growers. This funding is used to support the ginseng industry through research, education, and promotion of Wisconsin-grown ginseng.

DATCP administers elections for all Wisconsin market orders. To learn more about the market order boards, visit https://datcp.wi.gov/Pages/About_Us/MarketingBoards.aspx.
